

## DON'T DELAY—JOIN BUSINESS WATCH TODAY CASH IN ON SOME INSTANT SECURITY

Business Watch is a crime prevention program that enlists the active participation of business owners and their employees along with law enforcement to reduce crime in our community.

Business Watch is a free program that shows business owners and employees crime prevention techniques and strategies they can use to cut down on business-related crime.

The goal of Business Watch is teach businesses how not to become a target for crime. If businesses don't take a proactive attitude, crime can creep in before they know it.

The business Watch program focuses on teaching those personnel how to be observant and aware. They are a business' front line and the greatest resource for crime prevention.
